BS Fixings Strengthens Specialist Offering with Acquisition of Twistfix

Thursday 6 March, 2025

BS Fixings, a leading supplier of fixings and construction essentials, has expanded its product portfolio with the strategic acquisition of Twistfix, a trusted name in building repair solutions. This move brings Twistfix under the BS Group umbrella, alongside its parent company, BS Stainless Ltd, enhancing BS Fixings' ability to provide high-quality, specialist building products to trade professionals and DIY customers alike.

Expanding Expertise in Building Repair Solutions

Established in 2006, Twistfix is a well-regarded supplier of helical bars, remedial wall ties, damp proofing, and waterproofing solutions. By integrating Twistfix into its operations, BS Fixings is strengthening its offering of professional-grade products, ensuring customers have access to a broader selection of reliable, high-performance solutions.

"This acquisition represents an exciting step forward for BS Fixings," said Hannah Shaw General manager at BS Fixings. "Twistfix has built a strong reputation for quality and expertise in the building repair sector, and by joining forces, we can offer our customers an even greater range of specialist solutions tailored to their needs."

A Legacy of Quality and Innovation

BS Fixings originally launched as the eCommerce division of BS Stainless Ltd, a global manufacturer and supplier of stainless steel products. Over the years, BS Fixings has expanded its product range to serve both trade professionals and DIY users with competitively priced, high-quality construction essentials.

BS Stainless has been a key player in the industry for over 25 years, supplying sectors including construction, automotive, and oil and gas. The company holds accreditations such as ISO 9001:2015 for quality management, ISO 14001:2015 for environmental responsibility, CE Marking under CPR 305/2011, and ISO 45001:2018 for occupational health and safety.

Commitment to Growth and Excellence

The acquisition of Twistfix underscores BS Group's commitment to continuous growth and innovation in the construction industry. By bringing Twistfix into the BS Group family, the company is furthering its mission to provide high-quality products and expert
