CAMM & HOOPER ADDS 26 LEAKE STREET TO ITS VENUE COLLECTION

Tuesday 12 September, 2023

LONDON, SEPTEMBER 2023: London-based events company Camm & Hooper has expanded its venue portfolio with the addition of 26 Leake Street, a stunning 11,000 sq. ft. post-industrial space located in London's South Bank. The venue features three beautifully renovated railway arches beneath Waterloo station and can accommodate up to 1,200 guests. With its exposed brickwork and cool, eerie atmosphere, 26 Leake Street provides a blank canvas that can be transformed for a wide range of events.

The venue's unique aesthetic makes it the perfect setting for immersive and experiential events, such as film premier parties, brand activations, fashion shows, music events, or corporate functions. This latest addition to Camm & Hooper's rapidly growing venue portfolio is a testament to the resilience of the events industry.

Camm & Hooper's CEO, Derick Martin, said, "We are delighted to have acquired 26 Leake Street, which joins our versatile London venue portfolio. We now have a venue to suit every occasion, from the Grade II listed Banking Hall and the award-winning Victorian Bath House to South Bank's OXO2 and our newly launched Tanner Warehouse - all beautiful and unique in their own right. The aesthetic of the Waterloo arches provides that all-important dramatic backdrop for show-stopping events of every shape and size, with a capacity to cater for up to 1200 guests. Whether it's hosting film premier parties, brand activations, fashion shows, music events, or corporate functions, we are thrilled about this latest expansion to our venue portfolio. Its rapid growth is a testament to the resilience of the events industry and the great team behind the Camm & Hooper brand."
