Centerprise Services Integrates OMS Platform with Broadridge's NYFIX

Wednesday 6 September, 2023

Centerprise Services, Inc., an independent provider of advanced trading and order management systems for hedge funds and asset managers, has successfully integrated and certified its TOMI order management solution with Global Fintech leader Broadridge Financial Solutions, Inc.'s (NYSE: BR) NYFIX network, one of the largest and most established order routing networks.

Through their fully managed connectivity platform, Centerprise's TOMI clients gain unparalleled access to 16,000 active channels and 2,100 trading counterparties, operating across all asset classes on the most resilient cloud-based network infrastructure. This partnership also enables Centerprise clients to benefit from the scalability and global reach of NYFIX's industry leading Order Routing Network.

Eric Yu, CEO of Centerprise Services: "This exciting collaboration with Broadridge's NYFIX order routing network is a significant milestone for Centerprise, enabling hedge fund and asset manager clients using our innovative TOMI platform to also benefit from NYFIX's unrivalled connectivity."

Reto Tuffli, chairman of Centerprise Services: "Our TOMI solution is a state-of-the-art, time-tested platform delivering a unique combination of functionality and flexibility. Our integration with NYFIX, one of the world's largest routing networks, is a very gratifying step in further linking our solution to the global trade routing ecosystem."

George Rosenberger, General Manager of NYFIX: "We are delighted to partner with Centerprise. Their long-term track record serving some of the world's most sophisticated hedge funds is impressive. Centerprise clients will now benefit from our global broker-independent and vendor agnostic order routing network while NYFIX gains new opportunities to expand our buy-side coverage."
