

Children's Author Flo Jackman Releases Heart-Warming New Story Celebrating Adoption and the Many Shapes of Family

Wednesday 5 November, 2025

UK — Children's author **Flo Jackman** has launched a touching new picture book that celebrates the beauty and diversity of modern families. Inspired by her own experiences and the stories of adoptive and kinship carers, Jackman's latest tale invites young readers to explore what it truly means to belong.

"Adopted children deserve to see families like theirs in storybooks," says Jackman. "Adoption is a story of love and belonging, proof that every family, however it's made, is complete."

The new release continues Flo Jackman's mission to create inclusive stories that normalise difference and help children feel seen. Her gentle storytelling and vibrant illustrations encourage empathy, curiosity, and open conversations about identity and belonging.

About the Book

Bridie's New Family follows a young girl who finds her forever family through adoption. With themes of love, resilience, and connection, it offers an affirming message for children aged 2–8 and the adults who read with them.
