Chipotle Launches Lifestyle Bowls

Keto Salad Bowl, Protein Pump Bowl, Vegetarian Bowl, and Vegan Bowl

Chipotle today announced the launch of a new collection of Lifestyle Bowls, making it even easier to design your meal to suit your healthier lifestyle choice, or training regime.

The new line includes a Keto Salad Bowl, Protein Pump Bowl, Vegetarian Bowl, and Vegan Bowl, which are now available at all seven Chipotle restaurants in London.

"Now more than ever, our customers are embracing new and varied approaches to healthy living and wellness," said Jacob Sumner, operations director, Chipotle in Europe. "We've watched guests custom create lifestyle-specific bowls when ordering in our restaurants, so are now making it even easier to order bowls with real ingredients that fit their wellness goals."
