

Christmas Crunch From Yorkshire Crisps!

Monday 18 November, 2013

Add some crunch to your Christmas celebrations with Yorkshire Crisps! These gourmet, hand-fried crisps are the perfect snack for any party or family get-together, whether on the buffet table or accompanying your festive tipple!

Yorkshire Crisps are produced from locally-grown vegetables and unlike many mass-produced brands, they do not contain any monosodium glutamate, artificial flavourings, colourings or anything genetically modified.

They are produced from selected locally-grown potatoes or parsnips which are sliced into hot sunflower oil and hand-fried for a few minutes then drizzled with totally natural flavours while they are still warm.

The range consists of 12 deliciously moreish flavours, including the award-winning Henderson's Yorkshire Sauce, Roast Lamb & Mint and Sweet Cured Ham & Pickle flavours and selected flavours are available in 40g single bags, 150g large sharing bags or 100g stay-fresh re-sealable drums – ideal for sharing at your Christmas celebrations. And the drums make excellent stocking fillers for those with a more savoury tooth!
