Church of the Eternal God Announces Booklet, “Do You Know the Jesus of the Bible?”

Tuesday 2 February, 2016

Basingstoke, GB. — The Church of the Eternal God announces the availability of its free booklet, “Do You Know the Jesus of the Bible?" This booklet focuses on Jesus Christ's pre-existence, His birth, and His life on earth as a human being.

Jesus Christ is a paradox to most people - many questions surround who He is. Did He really exist prior to His human birth? If so, who or what was He? Why did Jesus come in the first place, and what were the purposes of His Coming?

Philippians 2:5–7 explains that Christ was in the “form of God" and “equal with God" the Father, but that He took the “form of a bondservant" and came “in the likeness of men." The Old Testament, especially Isaiah 53, prophesies that the Messiah would first come to earth as God's suffering Servant. While here on earth, what kind of life exactly did Jesus live? Was He a hippie-like, homeless vagabond with long hair? Was He married, and did He have brothers and sisters?

The real account of Jesus Christ can be found in the pages of the Bible – these records were left as a witness for us to learn about and truly know Him. The Bible clearly shows that He existed before His human birth; that He came to earth for phenomenal purposes; and while here as a human being, He lived His life as an example for us so we could see how to live as true Christians.

The author of the booklet, Evangelist Norbert Link explained: “Jesus Christ is the model we must strive to emulate as Christians. The Bible provides instructions that will allow you to better understand who and what Jesus Christ was and is, and how He really lived as a human being, so that you can follow in His footsteps."

About
Church of the Eternal God

The Church of the Eternal God in the United States—with its operations around the world, including Die Kirche des Ewigen Gottes (in German-speaking areas), the Church of God, a Christian Fellowship (Canada) and the Global Church of God (United Kingdom)—exist to fulfill the Work which Jesus Christ has given to His Church. It is through the fruit of unity in God's Holy Spirit that we strive to be of one mind in doctrine, purpose and practice.

We conduct weekly Sabbath services with an emphasis on live transmissions over the internet and in local congregations where possible. We also observe biblical Holy Days as commanded by God.

We maintain websites for access to our published materials; to present church messages in English and German (both recorded and live); to publicly proclaim the gospel of the Kingdom of God through the StandingWatch programs (including the German language program, AufPostenStehen); to make available our weekly Update; and to provide spiritual assistance and guidance
