Church of the Eternal God Announces Booklet, “Europe in Prophecy – The Unfolding of End-Time Events”

Tuesday 13 September, 2016

Mablethorpe, UK. — September 13, 2016 — The Church of the Eternal God announces the availability of its free booklet, “Europe in Prophecy – The Unfolding of End-Time Events”. This booklet outlines prophecy playing out right now that leads to the formation of the tenth revival of the Roman Empire, and terrible consequences prior to the return of Christ.

The Bible shows us that a tenth revival of the Roman Empire in Europe will happen just prior to Christ’s return, and will bring about a world-wide war. If Christ was not to intervene, mankind would be facing total annihilation. Christ states in Matthew 24:22, “And unless those days were shortened, no flesh would be saved [alive], but for the elect’s sake those days will be shortened.” We are admonished to watch and be ready for the return of Jesus Christ. But what are the signs that point to His return?

As surprising as it may seem, what is developing in Europe right now has been foretold, and is happening exactly as prophesied in the pages of the Holy Bible. A European power block is developing before our eyes; there are right-wing activities in Germany, Austria, France, the Netherlands and other European countries; the Catholic Church proclaims that it is the only true Church of Christ. All of these events are leading to a European economic superstate with one single currency, one political and military system, and even one religion.

The author of the booklet, Evangelist Norbert Link, explains: “It is critical to watch and correctly interpret events happening in the world right now. God has made it possible for us to understand what is transpiring by viewing history through the pages of the Bible, and He shows us what we need to do to escape what is to come.”

About Church of the Eternal God
The Church of the Eternal God in the United States—with its operations around the world, including Die Kirche des Ewigen Gottes (in German-speaking areas), the Church of God, a Christian Fellowship (Canada) and the Global Church of God (United Kingdom)—exist to fulfill the Work which Jesus Christ has given to His Church. It is through the fruit of unity in God’s Holy Spirit that we strive to be of one mind in doctrine, purpose and practice.

We conduct weekly Sabbath services with an emphasis on live transmissions over the internet, and in local congregations where possible. We also observe biblical Holy Days as commanded by God.

We maintain websites for access to our published materials; to present church messages in English and German (both recorded and live); to publicly proclaim the gospel of the Kingdom of God through the StandingWatch programs (including the German language program, AufPostenStehen); to make available our weekly Update; and to provide spiritual assistance and guidance to both Church members and any whom God may call to salvation at this time.
