The TAS Alliance, powered by The Apartment Service, is delighted to confirm that Churchill Living has now officially joined the growing international membership of the Alliance. As one of the most well-known furnished apartment brands in North America, Churchill brings more than 67 prime locations in 9 major US cities to The TAS Alliance global network.

“Our partnership with Churchill Living ensures that we can continue to provide excellent coverage across The Americas catering for our growing demand in this extremely important market”, says Shabina Awan, Director of Partnerships and Alliances. She adds 'Being a partner of the TAS Alliance also enables Churchill Living to confidently provide global services to its valued clients'.

Julio Morales, Churchill Living's Executive Vice President of Sales Development and Marketing, said: “Churchill Living has a comprehensive property selection that will be made available through The TAS Alliance and will help to expand the development of our brand. Our partnership with TAS allows us to deliver a consistent product and experience globally. We are extremely pleased to be part of the TAS Alliance as their approach and vision compliments Churchill in every way.”

Jo Layton, MD Group Commercial Sales for The Apartment Service added “The TAS Alliance is excited to be officially partnering with Churchill Living, formalising our already strong relationship with this key operator in the market.

The addition of Churchill living to the existing TAS Alliance members and partners across the globe will ensure that we are able to continue to provide excellent solutions for our clients. We welcome Julio and the team and look forward to a successful partnership for both parties ”, concludes Jo Layton, Managing Director – Group Commercial Sales.

About the TAS Alliance
The approach of serviced apartment unification allows The TAS alliance to join together independent serviced apartment providers under one branded marketing and sales combination in a global network. This will deliver value and distribution awareness to suppliers as well as the guarantee of quality assured, comprehensive, easy to access solutions for buyers internationally.

The TAS Alliance acts as a stop source of bookings, extranet facilities, traveler tracking, issue resolution processes, multi-currency billing options, and much more. With access to over 55,000 apartments globally in 160 countries, partners are considered a US operator and a global serviced apartment agent. In the past 30 years, there have been over 55,000 units in every key city accessible through the TAS Alliance. The TAS Alliance offers full solution exposure for buyers looking to enhance and expand their serviced apartment programs. For more information, visit www.thetasalliance.com
