Cliphair Have Launched Their Wrap Around Ponytail Hair Extension So You Can Channel Your Inner Ariana Grande This Winter

Wednesday 1 December, 2021

Ever wanted to rock a gorgeous celebrity style updo ponytail like Ariana Grande, Hailey Bieber or Khloe Kardashian, but are worried you don't have the length and thickness to pull off a slick high pony?

Cliphair's newly launched Straight Up Wrap Around Ponytail has the perfect versatility for all hair lengths and types. With ten different blonde, brown, black an red shades available from launch, and three different lengths available from the 14 inch: ***Mini***, 20 inch: ***Classic*** and the 24 inch: ***Mega***.

With the Straight Up Wrap Around you can recreate Ariana Grande's left sleek high top knot, Bella Hadid's 60s inspired short updo, or even Kim K's long pony in under five minutes.

Made from 100% silky soft Remy human hair, with a straight and sleek style with built in combs that grip under your bobble and velcro straps to secure your perfect pony in place, making application quick, simple and seamless. The wraparound design ensures each transformation is secret and seamless, it can also be safely styled, tones or dyed (though bleaching is not advised).

You can use Wrap Around Extensions to get these popular celeb Ponytails:

Low, Sleek Pony

The trusty low, sleek pony is a red-carpet worthy style, seen on the likes of Kim Kardashian, Chrissy Teigen, and Selena Gomez. This 'pony is popular because of how simple, polished and versatile it can be.

Super-High Hair-Wrapped 90s Ponytail
The low ponytail's sporty sister, a high ponytail gives sassy 90's vibes. Another extension hair style for versatility and low maintenance; match this look with bangs or braids to really create that wow-factor.

The Textured Pony/Waves

Add some extra oomph to your look and turn waved tresses into THE textured pony. Prep your hair/ ponytail extensions into loose waves if your hair isn't naturally wavy and wear your hair low and textured.
