FOR IMMEDIATE RELEASE

COMMERCIAL VEHICLE GROUP (CVG) PARTICIPATES IN INTERMAT SHOW IN PARIS

NEW ALBANY, Ohio, April 20, 2018 - Commercial Vehicle Group, Inc. (the "Company" or "CVG"), (NASDAQ: CVGI), a leading supplier of fully-integrated system solutions for the global commercial vehicle market, announced today that it will participate in INTERMAT, the leading trade fair for construction machinery, in Paris, France, from April 23rd to 28th 2018.

CVG is displaying the SCIOX range of seats, a new generation seat line for the Construction vehicle markets. The SCIOX product line is being marketed under the KAB Seating brand for the Global market. KAB Seating has been a leading player in the vehicle seating market supplying to major equipment manufacturers since 1968 with extensive expertise in the construction sector. The SCIOX range of seats has been developed to offer major feature improvements which enhance the overall performance of the seat for the user such as:

? Improved cushion comfort;

? Engineered foam deflection combined with deeper bolsters reducing stress and strain on the driver;

? An adjustable damping system with improved response over rough terrain; and

? A new occupant sensor with higher sensitivity specifications focused on driver's comfort and safety.

Dave Anderson, Product Line Director for EMEA, explains "KAB Seating has been a leader bringing to the market comfortable and reliable seating solutions since 1968. Our new generation SCIOX seat line reflects this heritage with a modular platform and leading automotive styling, covering materials and comfort. We believe SCIOX will enhance our reputation for high performing, durable seating systems."

The new KAB Seating SCIOX line-up will be on display for a wide range of medium and large construction vehicle applications, alongside a selection of the existing KAB construction seats with increased levels of customizable options and styling to tailor the seat to the customer's liking.

Various other product lines will be on display for commercial applications. Attendees are invited to visit the KAB Seating booth located in Hall 5A / Stand H 072.
