FOR IMMEDIATE RELEASE

COMMERCIAL VEHICLE GROUP (CVG) PARTICIPATES IN IVT EXPO SHOW IN COLOGNE, GERMANY

NEW ALBANY, Ohio, 7th February 2019 - Commercial Vehicle Group, Inc. (the "Company" or "CVG"), (NASDAQ: CVGI), a leading supplier of a full range of cab related products and systems for the global commercial vehicle market, announced today that it will participate in IVT EXPO, a trade fair for industrial vehicle components, in Cologne, Germany, February 13-14.

CVG is displaying the SCIOX range of seats, a new generation seat line for the construction and agricultural vehicle market. The SCIOX product line is being marketed under the KAB Seating brand for the global market. KAB Seating has been a leading player in the vehicle seating market, supplying to major equipment manufacturers since 1968 with extensive expertise in the construction and agriculture sector. The SCIOX range of seats has been developed to offer major feature improvements which enhance the overall performance of the seat for the user such as:

? Engineered foam deflection combined with deeper bolsters reducing stress and strain on the driver;

? An adjustable damping system with improved response over rough terrain; and

? A new occupant sensor with higher sensitivity specifications focused on driver's comfort and safety.

Dave Anderson, Product Line Director for EMEA, explains "KAB Seating is a leader in the construction and agriculture seating market, providing a comfortable and reliable seating solution since 1968. Our new generation of SCIOX seat line reflects this heritage with a modular platform and leading automotive styling, covering materials and comfort. We believe SCIOX will enhance our reputation for high performing, durable seating systems."

The new KAB Seating SCIOX line-up will be on display for a wide range of medium and large industrial vehicle applications, alongside a selection of the existing KAB seat range with increased levels of customizable options and styling to tailor the seat to the customer's liking.

Various other product lines will be on display for commercial applications. Attendees are invited to visit the KAB Seating booth located in Hall 11.1, Stand 3005.
