Mental health awareness training at Better Pathways

Hi Everyone and welcome to Better Pathways!

We have some exciting news as we will be holding our very first Coffee Morning for a chance to network and learn more about the Mental Health First Aid Training Courses we deliver.

When- Friday 26th October 2018 from 10:30am – 12:30pm

Where- Better Pathways 201-206 Alcester Street, Digbeth B12 0NQ

What – We are passionate about involving the local community to learn about the different mental health first aid training courses available for your organisation and discuss mental health in a friendly positive environment with our qualified instructors.

What better way to do this than over coffee and cake and a chat!

Why- To raise awareness about mental health, break the stigma around it and improve the understanding for people within the local community and Birmingham area.

If you would like to be a part of this or know anyone who may benefit from this then please register on the link below for free
