COVID-19 PROTECTIVE SCREENS

Wednesday 13 May, 2020

In light of the Government's recent call to ease lockdown measures whilst also protecting employees, BRAC Projects have shifted our manufacturing methods to see how our skill and experience could be used to help get Britain moving again.

We want to help give companies the ability with best endeavours to give their staff the assurances that the workplace is being set up to help SAFELY, BACK TO WORK!

Our British made 'Covid-19 Protection Screens' that are ideal for:

- Shops
- Hospitals
- Offices
- Reception Areas
- Schools

Our screens are flat pack for ease of shipping, come with a unique clip together self-assembly and come in a variety of configurations for different desk/workspace set up.
