Crown Tiles - a one-stop destination for tiles of all types

Tuesday 9 October, 2018

Crown Tiles offers tradesmen and DIY-ers an easy hub to purchase tiles for any decorating job. Customers will find tiles for walls, floors, entire rooms, bathrooms, kitchens and much more besides! It's the simple way to find the perfect tiles and have them delivered straight to any door.

Installing tiles in any environment is hard work, requiring precision, attention to detail and no small amount of hard graft. But finding the right tiles to use doesn't have to be complicated - especially with Crown Tiles just a few clicks away! Looking for a vast range of bathroom wall tiles and kitchen wall tiles all in one place? Crown Tiles is the new, simpler way to find the perfect tiles.

The service is entirely online, so customers can browse on any device they like, no matter where they are. The company was founded in 2008, and has grown to be one of the top ranked tile outlets on Google and other prominent search engines. The company mission is to offer the best possible service at highly competitive prices, and there is a 'price match promise' in place. Customers can also get free delivery on samples to help them choose the right product.

A company spokesperson told of the "constant headache" of having to "trawl through the tile outlets to see what is on offer". He said: "We just wanted to provide a place where people could look through a full range of bathroom wall tiles and kitchen wall tiles in one convenient place." Of course, Crown Tiles offer far more than just wall tiles for kitchens and bathrooms - tiles for different environments, some more decorative than others, can be viewed and purchased as well. And customers can get all of this with next-day delivery if they're in a hurry to get their project moving along.

Those who are looking to add tiles to a room, are probably already stuck in that "constant headache". Looking through the wide range of options available by skipping from one outlet to the next is time-consuming, laborious and just plain tedious. Tradesmen and DIY-ers are exactly the type of people Crown Tiles wants to help - head over to https://www.crowntiles.co.uk/now, and browse through different types of tile from a range of popular brands to find the perfect solution for any decorating project.
