Daron Pearce joins JPSB board signalling significant growth opportunities in key markets

Thursday 14 October, 2021

JPSB Group, a leading independent technology consultancy to the investment management community has today announced the appointment of Daron Pearce, the award-winning business leader and industry veteran to its board of directors signalling significant global expansion plans.

The fast-growing business, founded by Kiran Bhogal, enables investment firms to adapt, evolve and grow through the design and delivery of innovative IT solutions and to unlock the potential of their existing technology, leading to improved profitability, efficiency, and operational resilience.

Kiran Bhogal (CEO of JPSB Group) “Our acknowledged expertise and long-standing collaboration with industry vendors, influencers and innovators is a significant benefit to our clients, allowing them to tackle complex legacy issues, define and implement their target operating model and maximise the benefits of new technologies.

Bringing Daron on to our board with his unrivalled knowledge of and connections to global investment firms is key to us executing on our expansion strategy in the UK, Europe and North America, partnering with asset managers, pensions and hedge funds to deliver industry leading technology solutions.”

Daron Pearce (former CEO of BNY Mellon Asset Servicing, EMEA; founder and CEO of Daron Pearce Associates) “I am thrilled to join the JPSB board and very excited about the current success and future expansion potential of the business.

With my close links to institutional investors across the UK, Europe and the US, I see first-hand the technology challenges they face and an ever-increasing need for strong industry practitioners like JPSB with their matchless expertise and vendor agnostic approach.

There is a substantial addressable market for JPSB, particularly with their reputation for systems implementation and optimisation excellence, and I look forward to playing my part in their continued growth story.”
