There's no bad time in life to travel and this latest list from www.dealchecker.co.uk offers some inspired options for gallivanting greys.

Split into nine sections the guide offers ideas and travel inspiration for; longer trips, travel without kids, adventure holidays, luxury getaways, trips on a shoestring, rejuvenating holidays, hobby holidays and a few more.

Alice Mariscotti-Wyatt said of the list:

"Later in life is a great time to explore the globe, with more time to spare and flexibility on when you go offering access to better value travel. Not to forget the fun of trying something new, or even revisiting somewhere old for that matter.

Whether it's backpacking by bus through South America, a voyage to Vietnam or a sailing holiday in Ibiza. The opportunities are endless and with flexible travel dates it shouldn't perish all your pension reserves."
