Delaware | Munich | FREZYA: Cinematic 'FURTIVA' Debut - Feb 20

Thursday 22 January, 2026

FOR IMMEDIATE RELEASE

?January 22, 2026 - Production hub Lokidio Lab is proud to announce the upcoming global launch of 'FURTIVA', the debut single from virtual vocalist FREZYA, on February 20, 2026.?

The Production
Breaking away from traditional radio formats, 'FURTIVA' is a 7-minute cinematic epic introducing a sophisticated Phonk-Amapiano hybrid sound. The track is designed specifically for high-fidelity digital environments and AAA gaming aesthetics.

?Industry Highlights
The production has received technical and creative praise from prominent industry curators:

?*"This track is absolutely insane... it's fire!!!!"* - Youth Energy

?*"Sounding is professional. Technically track is great."* - NEW RETRO WAVE HQ

?*"Epic and powerful with a tight and warm low end."* - Maple Sun

?*"The tune was great and the trumpets were pretty catchy."* -fitleague

?*"Cinematic mariachi stabs... vivid midnight heist mood."* - ClubMafia

?Technical Standard: LPSV Protocol
'FURTIVA' is the first asset released under the LPSV Protocol, a new technical standard for verified high-fidelity digital identities. Built to be stylistically "Leonida-ready," the asset is fully optimized for next-generation interactive environments and professional video sync workflows.

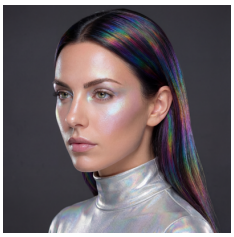

?Full Press Kit & Assets
Detailed technical specifications, high-resolution visuals, and an exclusive preview of the track are available at our official project hub.
