### Democrats Set Up Second Stimulus Payments in Heroes Act reports Bambridge Accountants New York

#### Thursday 14 May, 2020

House Democrats have proposed a second round of \$1,200 stimulus checks reports <u>Bambridge</u> <u>Accountants New York</u>.

According to a review of the <u>HEROES Act</u>, the newest coronavirus stimulus package, the key inclusions are:

- second stimulus payment of \$1,200 for individuals - up to \$6,000 per household

- plus \$1,200 per child for a maximum of 3 children

- \$10,000 student loan forgiveness
- \$175 billion for assistance to help pay mortgages and rents

For the stimulus checks, the income limits will be the same as the first payments:

Single - \$75,000

Joint - \$150,000

This would be a one-time, non-taxable payment.

The payment per child has increased from \$500 to \$1,200, up to a maximum of 3 children.

Federal and private student loans payments, together with interest, would be suspended until September 2021 – there would also be forgiveness of student loan debt of up to \$10,000.

The new Act will also seek to fix issues from the CARES Act where some <u>U.S. expats</u> were excluded from receiving the stimulus payments.

In cases where a joint return is filed and one person does not have a Social Security Number (SSN), under the <u>CARES Act</u> the stimulus checks were stopped – even if the spouse had an Individual Tax Identification Number (ITIN).

The <u>HEROES Act</u> will rectify that and allow for joint filers (where one does not have a SSN) to claim the original <u>stimulus check</u> for \$1,200 and this second payment.

\$175 billion has been allocated to help with rent and mortgages.

Of that, \$100 billion will be set aside for assistance with rent and other housing costs for those who are low or medium income earners in their area.

The remaining \$75 billion is allocated to prevent mortgage defaults and property foreclosures for families.

The financial aid would be for federally-backed and private home loans.

The HEROES Act also bans evictions for renters for 1 year for non-payment of rent.

Federal and private home loans could also be suspended for 12 months.
