Steven Armstrong, Regional Vice-President of Feld Entertainment, producers of *Disney On Ice,* said:

"*Dream Big* captures the magic of Disney's immortal tales through cutting edge figure-skating, glamorous costumes and stunning set designs. Innovative lighting and thrilling special effects transport audiences to a world of imagination, where heroes of every kind seek to fulfil their dreams.

"We are excited about returning to Newcastle in December and would encourage early booking; last year's show set a record for selling 50% of all tickets within the first 10 days of announcing pre-sale, and it was one of the best selling shows in the history of *Disney On Ice* at the Arena. We are expecting a similar response to this year's show so our advice is to book early to avoid disappointment."

Aisla Oliver, General Manager of the Utilita Arena Newcastle, added:

"I am thrilled that *Disney On Ice* is returning to the Utilita Arena again in December this year. *Disney On Ice* always delivers a truly spectacular ice-travaganza that is bursting with heart and happiness, as well as being full of fun and laughter. We look forward to welcoming families to this amazing experience at the Arena, which is a perfect pre-Christmas treat!"
