

Double your donation to Our Sansar in Big Give's Christmas Challenge 2022 starting on Giving Tuesday

Monday 28 November, 2022

[Our Sansar](#) are taking part in the [Christmas Challenge](#) to raise £15,000 in just 1 week starting on the **29th November, the Giving Tuesday!** These funds will be used for our End to Child Labour Project in Nepal that was reported on by [Sahar Zand](#) in the [VICE World News documentary](#).

We support children like **11 year old Arvind, who until April this year was working 7 days a week, dawn to dusk, making and carrying heavy bricks.** Now Arvind goes to school - and he loves it!

Donations to [End to Child Labour Project](#) will be generously matched by The Big Give's Champions during the campaign, meaning your money can support twice as many children.

Julia Krepska, Founder of Our Sansar:

'These are very challenging times and the need for our support is even more apparent than before. We hope that we will raise the amount needed to help the children receive education and to help their families. Our main goal is to end child labour, particularly in such hazardous settings as brick factories. We understand that these are very difficult times for everyone and really appreciate any support.'

How can you get involved?
