Elite Intuition Confident About Young Entrepreneurs' Growth Opportunities

Tuesday 20 October, 2015

Elite Intuition, outsourcing specialists are excited about what young entrepreneurs can bring to a small business to encourage growth.

Elite Intuition has studied findings from research by Albion Ventures and their research into entrepreneurial success.The findings reported that business owners' categorized entrepreneurs under 35, were twice as ambitious as their older business owners.Further to this the study showed:

About Elite Intuition: http://www.eliteintuition.com

1 in 6 under 35 year old business owners anticipated extraordinary growth over the next 12 months. In comparison, 1 in 12 for those over 35.

The younger business owners were four times as likely to hire new staff.

The founder of Albion Ventures, views the younger entrepreneurs as more ambitious and willing to take more risks as a result of the survey.

Elite Intuition believes that young entrepreneurs are keen to replicate success stories that they have heard about and obtain the luxury lifestyles which successful business ventures can provide.The younger generation often are fearless when it comes to business, with them often having less responsibilities, so risks don't have as much at stake.

Elite Intuition believes that the future is bright for the young entrepreneurs of today; with many great business models to learn from and many successful business owners offering their time to mentor schemes.The firm itself offers guidance to those whom are looking to start their own business, and frequently run voluntary workshops that offer advice and guidance in what it takes to become successful in the direct sales and marketing world.

Elite Intuition is an outsourced sales and direct marketing firm based in Liverpool.They have a desire to continually create and exceed expectations. Their creative and innovative ideas generate exceptional direct marketing solutions that achieve results and are extremely cost effective, so businesses can expand their customer base in a low risk way that promotes the brand. Elite Intuition is passionate about providing a first class service to all of their clients.
