Email Monks are here! Gain the advantage of swiftest Design to Email HTML Conversion!

Thursday 31 January, 2013

Ensight Global, a Google certified web marketing agency announces the launch of Email Monks, an email marketing division. With the launch of Email Monks, an agile Design to Email HTML conversion is no longer a Cock and Bull Story.

With the increasing rivalry in the virtual market place, most corporations want to engage with their customers over email newsletter in steady yet quick way. Given this, conceive of a scenario where an Organization has decided on Christmas Eve to send Christmas wishes on 25th to its mail list and it does not find any appropriate platform or agency who can code those EDMs before 25th December - In such a case, the entire campaign exertion and attempt to reach out to the audience, man hours of designers goes in the vain. To foreclose such a situation, organizations need coding service 24 hours of the day and 7 days of the week.

Email Monks are catering to one such need whenever wanted and necessitated. Inspired by the readiness, enthusiasm, intelligence and consistency of Monks, Email Monks wishes to offer rapid Design to Email HTML conversion with least Turn Around Time of 8 hours (24/7), adding a lot of meat to the clients' email campaigns and ROI in turn.

With over 10 years of industry and 50 years of cumulative experience, this team of virtuous coders feature the following benefits:

• **Turn around Time** less than 8 hours per email conversion. Email HTML within a wink of the eye...Wonderful isn't it?

• **Cost Effective** packages starting at only $45.

• **Testing** on cross browser and multiple email clients.

• **24/7 Development Support** across varied time zones.

• **Confidentiality** Agreements to keep the information unrevealed.

• **Quality Assurance** supports multiple revisions till customer is satisfied.

• **100% Money Back Guarantee** exemplifying trust and transparency.

• **Discount Opportunities** for non profit organisations, regular customers and bulk orders.

• **Right Hire Policy** sets tough hiring benchmarks and attracts the top talent in the technical and functional team.

One of the senior spokesperson (Senior Monk, as they say) of the company says, "Email Monks is an outcome of years of dedicated and consistent efforts put in the industry. Our partners have always shown patronage and appreciation for the quality of our work. The team is trained under the subject-matter experts (SME) and they all carry a vision and share the same goal in even smallest aspects of work i.e. Honesty, Quality, Dedication and Speed. We are really proud of our resources and the expertise they carry along. Design conversion at lightning speed of 8 hours is one of a kind in the industry. Adding in to the bargain, the 24/7 support that can be availed by the clients will radically transform the world of Design to Email HTML industry".

Email Monks offer conversion of various designs like PSD to Email HTML (Photoshop/Illustrator/InDesign files to Email HTML) and many more... Paying a little extra, clients can avail service of Mobile Optimized Emails in Responsive or Scalable formats. Additionally, Monks aim to help code the Email Newsletter HTML Templates and integrate respective Email Template with leading email clients like Mail Chimp, Constant Contact, iContact and Campaign Monitor.
