Emma Britton Decorative Glass Designer of Nottingham has won "Best Of Customer Service" on Houzz®, the leading platform for home renovation and design. The 5 year enterprise start up was chosen by the more than 35 million monthly unique users that comprise the Houzz community from among more than one million active home building, renovating and design industry professionals.

The Best Of Houzz is awarded annually in three categories: Design, Customer Service and Photography. Design award winners' work was the most popular among the more than 35 million monthly users on Houzz. Customer Service honours are based on several factors, including the number and quality of client reviews a professional received in 2015. Architecture and interior design photographers whose images were most popular are recognised with the Photography award. A "Best Of Houzz 2016" badge will appear on winners' Houzz profiles, as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

"Customer service and communication is so important to me and I always strive to give the best level I can on any project or product, no matter how big or small because I am a small business client's deal with me from start to completion. Being recognised for excellent customer service really means a lot to me." said Emma of winning the award

"Anyone building, renovating or decorating looks to Houzz for the most talented and service-oriented professionals" said Andrew Small, Managing Director of Houzz UK.
