

Euro Credit Holdings Limited Misleading Statements

Thursday 29 February, 2024

Euro Credit Holdings Limited seeks to address certain inaccurate and misleading statements that have circulated regarding its operations and Executive Vice President, Rhys Aldous. Awareness has been raised about claims not based on fact, seemingly aimed at undermining the professional reputation of both Mr. Aldous and the company.

These claims relate to a loan transaction with another party. It is clarified that Euro Credit Holdings Limited has always complied fully with all relevant agreements and industry standards.

The integrity of business operations is taken very seriously, and upon review, these claims have been determined to be without foundation. The commitment to maintaining the highest levels of integrity and transparency remains unwavering, and confidence in the professionalism of the entire team, including Mr. Aldous, is reaffirmed.

The spread of such inaccurate information is regrettable. Clients, partners, and the public at large are encouraged to seek and rely upon accurate and verified information. Euro Credit Holdings Limited is dedicated to continuing the provision of top-tier financial services and to sustaining open and honest relationships with all stakeholders.
