

Eurochange On A Roll: Wins SME News Business Elite Awards' Best Online Currency Exchange Service And MoneyAge's Money Transfer Provider of the Year Awards

Monday 20 October, 2025

Eurochange is celebrating a remarkable winning streak. The UK's leading foreign exchange specialist has been named Money Transfer Provider of the Year in the MoneyAge Awards, fresh from winning Best Online Currency Exchange Service in the SME News Business Elite Awards in September.

At MoneyAge's glittering ceremony at London's Waldorf Hilton, eurochange took home the award for Money Transfer Provider of the Year, recognising its mission to make sending and collecting money faster, easier and more reliable for everyone.

Charles Stewart, eurochange Managing Director, said:

"Two award wins in quick succession - we couldn't be prouder! Winning at the MoneyAge Awards, just weeks after our Business Elite Award, is a fantastic recognition of the energy, creativity and hard work across our teams, and marks a wonderful start to joining the Western Union family.

"This double success shows that our dedication to innovation and fantastic service is truly making an impact."

These wins celebrate eurochange's excellence in delivering outstanding service, value, and convenience. With over 240 branches across the UK and a seamless online offering, including a 60-second Click & Collect service and fast, secure home delivery, eurochange continues to set the benchmark for foreign exchange.

The MoneyAge Awards reward excellence, creativity and leadership across the UK's personal finance and banking sectors. Distinguishing the very best providers, products, and individuals in financial services, the awards honour organisations that deliver outstanding value, service, and innovation for customers. Winning Money Transfer Provider of the Year highlights eurochange's position as a trusted, customer-focused leader in international payments and foreign exchange.

The SME News Business Elite Awards spotlight companies which demonstrate exceptional growth, innovation and customer focus. Eurochange's win acknowledges its accomplishments across both its estate of high street branches and online, underscoring its position as the UK's go-to foreign exchange specialist.

With several other high-profile wins already in 2025, eurochange is firmly cementing its reputation as a standout performer in the travel money and money transfer sector.
