eurochange Wins ‘Best Currency Travel Card’ at the Moneynet Awards

eurochange, the UK’s specialist currency exchange provider, has started the year on a high by winning Moneynet Awards’ *Best Currency Travel Card*.

Recognising the brand’s commitment to innovation, value and customer experience in the travel money sector, the award celebrates the *eurochange* Travel Money Card, powered by Mastercard®. This prepaid travel money card provides customers with a secure, convenient and cost-effective way to manage money abroad, and judges highlighted its ease of use and suitability for today’s traveller.

Andrew Haggar, Founder and CEO of Moneynet, said:

“eurochange impressed our judges with a travel card proposition that combines strong value with simplicity and reliability. In a crowded market, their product stands out for delivering a seamless experience that genuinely meets the needs of modern travellers.”

The Moneynet Award adds to a series of prestigious accolades for eurochange in recent months, reflecting excellence across customer service, operational performance and workplace culture. These include:

- Good Business Pays’ *2025 Fast Payer Award*, recognising strong payment practices and supplier relationships.
- Bronze for *Best Retailer for Forex/Travel Money* at the British Travel Awards 2025.
- SME News Business Elite Awards’ *Best Foreign Exchange Provider 2025* and *Customer Service & Employee Wellbeing Excellence* 2025.

Commenting on the continued recognition, Charles Stewart, *Managing Director* eurochange & Leading Western Union Owned Stores in Europe, said:

“We are so pleased to receive this award, reflecting our focus on delivering a travel money card that offers real value, simplicity and trust for customers, supported by a strong partnership with Mastercard. It’s superb to see this, alongside our wider work across the business, recognised by multiple industry bodies.”

The annual Moneynet awards recognise the top personal finance providers and products from the previous twelve months. They are noted for celebrating the foreign currency providers, banks, building societies and credit card companies that have gone that extra mile and delivered great deals for consumers.

This latest recognition further strengthens eurochange’s position as a trusted provider of travel money solutions for customers across the UK and, as part of the Western Union family, beyond.
