The team are very excited about the expo and the excellent opportunities it will afford to forge new working relationships and catch-up with industry peers. Come along and meet the friendly team - and find out what opportunities exist as an introducer, referrer or partner. Also discover how you could walk away with a brand new iPad mini!

About the Financial Services Expo

The event itself is a key fixture in the financial services calendar, and brings together some of the largest and most creative financial brands, businesses and services in the industry. Attendees will be able to engage with lenders, distributors and providers and network widely. There will be exciting exhibitions and seminars, with seven market focused zones on offer: Mortgages, Protection, Commercial Lending, Legal & Surveying, Distribution, Alternative Lending and Technology.

There will also be a full business centre and a TV studio in operation on the day, and a chance to hear from the regulator, as well as gain access to CPD accreditation points.
