Exhibition Opening Night: Histories & Hauntings by Renchi Bicknell, Brian Catling, Iain Sinclair

Thursday 5 October, 2023

Swedenborg House Gallery is pleased to announce the opening of a new exhibition on Friday 13 October

RENCHI BICKNELL | B. CATLING | IAIN SINCLAIR

HISTORIES & HAUNTINGS

OPENING NIGHT: FRI 13 OCTOBER 2023, 6-9PM

_____

Correspondences from the Whitechapel Gallery (1974) to Swedenborg House. Through image and action.

Histories & Hauntings is the third in a trilogy of staged interventions by **Brian Catling** and **Iain Sinclair** at Swedenborg House. It is also, simultaneously, a reprisal (or continuation) of *Albion Island Vortex* (1974), an exhibition held half a century ago at the Whitechapel Gallery, co-organized with the artist and writer **Renchi Bicknell**. On the Whitechapel Gallery website, the exhibition is listed as never having ended. Drawing together a mixture of paintings, archival material, found objects, prints and photographs, Bicknell and Sinclair engage with the spaces of personal memory and the spaces of Swedenborg House in the wake of Catling's passing late last year. The exhibition is at once a testament to the past, and a new work birthed in the crucible of memory.

Admission free. To attend the opening evening, please either:
