Experienced Biker Michael Bankier to journey around Australia on a new ‘Have Bikes Will Travel’ Tour

Friday 1 August, 2025

Notable motorbike enthusiast Michael Bankier will soon begin a tour around the whole of his native Australia, taking his followers on what he describes as ‘the ride of a lifetime’.

Michael will be blogging, vlogging, and podcasting his adventures as he travels, meaning you won’t have to miss out on a single kilometre of his epic journey.

Michael Bankier says: ‘There’s no better way to feel the heartbeat of Australia than from the seat of a motorbike. With the sun on your back, the wind at your shoulders, and thousands of kilometres of open road ahead, the Aussie landscape transforms into something you don’t just see—you experience.

From the tropical coasts of Queensland to the desolate beauty of the Outback, Australia offers a raw, untamed riding experience. Whether you’re carving through the Great Ocean Road’s coastal curves or braving the dusty isolation of the Stuart Highway, the country demands respect—and rewards it in spades.

Join him soon on his epic, once-in-a-lifetime, Australian Road-Trip Adventure. Watch his channels for his start dates and journey maps, and follow him as his rides take him onwards.
