

Experienced Professionals Dive into Contractor Supply Chain Compliance Business with the Purchase of Umbrella Check

Monday 18 September, 2023

In a strategic move that underscores their commitment to the umbrella sector, Marco Carluchi and Pascual Ariza-Hoffmann, owners of recruitment agency Hoffman Carluchi, are thrilled to announce the acquisition of Umbrella Check, a Contractor supply chain compliance organisation. Hoffman Carluchi specialises in sourcing top-tier Sales professionals for companies across the umbrella space and has dedicated 25 years to the sector. Marco and Pascual bring a wealth of knowledge and a deep-rooted connection to the industry and have witnessed first-hand the dynamic shifts brought about by legislative changes including IR35, GDPR, and the criminal finance act.

When an exciting and opportune moment recently emerged for the acquisition of Umbrella Check, the synergy with Marco's and Pascual's skill sets and aspirations was undeniable. Leveraging Marco's in-depth understanding of the sector and Pascual's experience in recruiting within the Umbrella sector, the dynamic duo swiftly seized the opportunity to broaden their business horizons and expand their reach within the sector.

"As seasoned professionals who have navigated the intricate regulatory landscape of the umbrella sector, we recognise the critical role that compliance plays in ensuring the success and sustainability of both contractors and businesses. The acquisition of Umbrella Check aligns perfectly with our vision to provide comprehensive solutions that empower stakeholders across the industry," said Marco Carluchi, Director of the newly acquired business.

With a shared commitment to excellence, Marco Carluchi and Pascual Ariza-Hoffmann are poised to steer Umbrella Check to new heights of innovation, efficiency, and effectiveness. Their extensive industry insights, paired with Umbrella Check's existing strengths, are set to deliver a holistic suite of compliance services that enable businesses and contractors to thrive in a rapidly evolving landscape.
