Celebrating 70 Years of JET

Hitting a round number at the pump when you're filling up with fuel is one of life's small wins - and now it has the potential to win UK drivers a brand new Toyota Yaris Cross Hybrid car worth a whopping £26,000!

Leading fuel brand, JET, is launching a national prize draw - 'Pump Up To 70' - that requires customers to stop fuelling at a price ending in £0.70. To enter, JET customers need to take a photo showing the price on the pump display (e.g. £23.70), post it to their Instagram story and tag @JETLocalUK. All information on how to enter will be available at the pumps and JET customers and their friends and family can enter as many times as they wish.

The prize draw, which runs until 1ST December 2024, is part of JET's 70th anniversary celebrations and is available to all eligible JET customers across their 320 sites nationally.

Commenting on the prize draw Áine Corkery, Manager, Brand, UK Marketing Phillips 66 Limited said: " *I can't think of a more fitting way to mark 70 years of JET, a driver-first business through-and-through, than to give away a brand new car! 2024 has been a very special year for JET and the 'Pump Up To 70' prize draw is our way of saying thank you to our loyal customers. One JET customer is set for a very good Christmas this year!"*

The winner of the 'Pump Up To 70' prize draw will be notified via Instagram.
