FinTech Leaders 2020 Released Today - SAS, Oracle, Bloomberg, FIS, Amazon, and IBM ranked in the Top 50 Leaders!

Monday 27 January, 2020

The Center for Financial Professionals (CeFPro) FinTech Leaders 2020 Report is debunking the key market trends, priorities and challenges; and is the most comprehensive independent study of the global fintech ecosystem and rankings of the leading fintech players around the world.

The research is industry-led with independent insight from CeFPro's specialized FinTech Advisory Board of over sixty experts; evolving around the end-user perspective, the report is inclusive of over 1,200 surveyed perspectives from CeFPro's community of finance, technology, operations, financial risk and compliance professionals.

Included in the Top 50 Leaders Rankings you will find companies including: **FIS, Bloomberg, Oracle, Monzo, SAP, BlackRock, Experian and more...** To download a copy of the report, visit: **www.fintech-leaders.com/release**.

"CeFPro's FinTech Leaders Report takes the pulse of the industry through end-user votes and perspectives and is supported and endorsed by 60 international industry Advisory Board Members, from across multiple disciplines and geographies. The report, along with the rankings, are formed from votes cast by end-users", said **Andreas Simou, Managing Director, CeFPro.**

CeFPro anticipates that 2020 will bring increased transformation, evolution and innovation – FinTech Leaders provides an insight into the status of the industry, from the leading opportunities in advanced analytics and AI, to investment priorities of security, payments and regtech, while embracing enhanced customer experience and the key drivers for the future.

*"The FinTech Leaders Report represents an honest and unbiased evaluation from a cross-section of our sector about trends, challenges and key players in the fintech industry. Our hope is that the information gathered through this study will create awareness about issues and key market participants shaping and impacting the fintech space, but also have the potential to influence the way in which the industry both views and understands this important emerging area", **said*** **Sabeena Ahmed Liconte, CeFPro Fintech Advisory Board Membe**r and Deputy Chief Operating Officer & Chief Legal Officer, BOC International Holdings Inc., a member of the **Bank of China Group**.
