First Haag-Streit Academy Slit Lamp Photographer's BX 900 Masterclass – Save the Date

Friday 11 October, 2019

Harlow, UK – 11th October 2019 - Haag-Streit UK (HS-UK), the leading manufacturer and distributor of gold-standard optometry and ophthalmic equipment, is delighted to confirm details of the forthcoming Haag-Streit Academy **'Slit Lamp Photographer's BX 900 Masterclass'**.

The 'Slit Lamp Photographer's BX 900 Masterclass' will be held on 15th June 2020 at the Leopold Hotel, Sheffield. This one-day training workshop is aimed at existing BX 900 slit lamp users or ophthalmic imaging professionals who are considering upgrading to this state-of-the-art slit lamp imaging system.

The agenda will cover a wide range of topics, including; illumination techniques and image capture & manipulation. It will be packed with hints, tips and insights from slit lamp imaging experts.

A considerable part of the day will be dedicated to small group workshops, allowing delegates to gain valuable hands-on experience with the BX 900 (often described as 'The photographer's slit lamp'). The event will also feature a series of short talks given by expert speakers, including Steve Thomson, Haag-Streit Diagnostics Slit Lamp Imaging Specialist, who has more than 35 years experience in clinical imaging.

Attendees will also be given the opportunity to compile a mini-portfolio, saving images of pathology, captured from real patients. into an electronic workbook during the workshop sessions.

Grant Duncan, HS-UK Clinical Training Manager, commented "This is Haag-Streit Academy's first Slit Lamp Photographer's BX 900 Masterclass. We are excited to be showcasing our premier slit lamp imaging system and look forward to offering experienced slit lamp photographers the opportunity to learn how to get the most out of this state-of-the-art equipment."

The price for the course will be just £150 + VAT, which includes lunch and refreshments. Delegates will be able to claim CPD points for their attendance on the day (CPD points have been applied for but not yet confirmed).
