The Football Business Awards return to Stamford Bridge on 6th November for the 3rd year.

Hosted by Mark Lawrenson and Ray Stubbs, the awards recognise many of the unsung heroes behind the scenes who help to shape the whole football industry. The annual event is designed to celebrate successes and reward innovation off rather than on the pitch.

With an illustrious judging panel selected for their particular experience and expertise in the categories covered the FBA has grown into a significant annual networking event.
