FOR YOUR EYES ONLY - 007 CAR INSURANCE SECRETS

Monday 12 October, 2015

With the release of the new Bond movie, Spectre, just around the corner, Tiger.co.uk has taken a look at how 007 and his sidekick Q can teach us all a thing or two about how to get cheaper car insurance.

We looked at numerous factors, all of which have a major impact on the cost of car insurance. Using 007's own history behind the wheel, we'll tell you how important each of these factors is when it comes to your own car insurance quotes.

Using all this information, the Tiger.co.uk team has also attempted to work out how much James Bond would be paying for insurance of his Aston Martin DB5.

The result may leave you both shaken and stirred!
