“When I purchased the site a few months ago, I knew exactly what I wanted, I knew exactly what punters and people looking to place a bet wanted, I simply knew everything from day 1. What I hope is that players coming to the site, recognise the difference and effort I have made to give them the best free bets from only the best and most recognised bookmakers.”

“A lot of other free betting sites out there simply don't bother with site design or which bookmakers they are advertising.
