Fully Funded Accredited Business Accelerator for Women Entrepreneurs Now Accepting Global Applications

Monday 19 January, 2026

London, UK – January 19, 2026 – A groundbreaking opportunity has launched for women worldwide. The *She's In Business Accelerator*, a fully funded and accredited program from a woman-led, UK-registered university, is now accepting global applications.

Designed for women ready to launch or scale profitable consulting, coaching or service-based businesses, this high-impact accelerator, founded by autistic ADHD mother-of-four turned university lecturer, **Dr. Stephanie Wilson,** is **100% tuition-free for successful applicants**.

And with limited funded places available, the time to apply is now.

A University-Led Business Accelerator Built By and For Women

Unlike traditional business programs, the *She's In Business Accelerator* is:

Accredited
Delivered by a registered UK university
Run by women, for women
Tailored for mothers, professionals, and neurodiverse entrepreneurs

From strategy to sales, the program teaches what actually works — not just theory, but execution.

> "You don't need more noise. You need clarity, systems, and the confidence to lead," says founder Dr. Stephanie Wilson. "This is not a business club. This is a results-driven, university-backed accelerator built for real-world income."

What Participants Get (At No Cost):

- A **milestone-based curriculum** to turn your idea into income
- **Accredited certification** from a UK university
- Live coaching, accountability, and execution support
- A **global community of high-performing women entrepreneurs**

Who Should Apply:

- Aspiring or early-stage **coaches, consultants, course creators, or service-based entrepreneurs**
- Women who are ready to **sell confidently**, **scale sustainably**, and **stand out online**
- Professionals ready to turn their expertise into income
- Mothers, neurodivergent women, and underrepresented leaders looking for a system that *works for their life*

Why It Matters:

Most programs teach business theory.
She's In Business creates business income.

And with full funding available, the only investment required is **your decision to go all in**.

> "We're not just teaching business. We're redefining what leadership looks like for women."

Because Success Shouldn't Be a Solo Mission

This new data shows us what we already knew:
Women don't need more motivation. They need models, mentorship, and money.

At *She's In Business*™, we've spent years crafting an education ecosystem that meets women where they are, and lifts them to where they belong.

Whether you're bootstrapping from savings, building at the kitchen table, or returning to a dream you've shelved for too long, this is your moment.

Our next cohort begins at the end of Feb 2026. Spaces are limited and funding is competitive but so are you.
