

Galera Bet Launches Three Exclusive Football-themed Games in Partnership with Luva de Pedreiro

Sunday 4 June, 2023

[Galera Bet](#), the leading Brazilian gaming operator, is thrilled to announce the launch of three exclusive casino games in collaboration with the renowned influencer Luva de Pedreiro. Developed by Darwin Gaming, these football-themed games bring together the excitement of sports and the charm of Luva de Pedreiro, creating a unique gaming experience for players.

Luva de Pedreiro, born Iran Santana Alves, has taken the digital world by storm with his engaging sports videos and passionate celebrations. With over 40 million fans worldwide, Luva has become Brazil's most followed influencer, gaining recognition from top athletes like Neymar, Angel di Maria, Serge Gnabry, and Joshua Kimmich.

The three exclusive games, Luva Melhor Do Mundo, Luva Super Gol, and Luva Super Gol Champions Edition, offer players thrilling gameplay and the opportunity to engage with Luva's infectious energy on the virtual field.

"[Luva Melhor Do Mundo](#)," the most anticipated release of the trio, allows players to take spot kicks against a goalkeeper. With each successive goal, players have the chance to increase their payouts through different multiplier levels. However, a single miss resets the winnings to zero, creating an exhilarating risk-reward dynamic. Additionally, the game features a bonus feature called the "Best in the World," where Luva shoots a fireball for a guaranteed goal.

In "Luva Super Gol," players face off against a Random Number Generator (RNG) and must cash out before the ball flies away. The multiplier starts at x1.00 and increases with every passing moment, offering the potential for massive wins. With no maximum win limit, the excitement and anticipation build as players aim for higher multipliers.

For those seeking a multiplayer experience, "Luva Super Gol Champions Edition" takes the gameplay of "Luva Super Gol" to the next level. With a leaderboard showcasing top cash-out multipliers, players can compete against each other and strive for the top ranks. The interactive chat feature and the ability to place two bets simultaneously further enhance the multiplayer experience.

Players can now enjoy these exclusive football-themed [casino games](#) at Galera Bet. Visit www.galera.bet to join Luva de Pedreiro on the virtual field and experience the charm and passion he brings to these exciting games.
