Monday 11 February, 2019

Inclusive to all genders and sexual orientations, Alex B Porter's new book, *The Cunnilinguist: How To Give And Receive Great Oral Sex*, is released just in time for Valentine's Day.

You can download a copy for **free**, if you're quick.

"This refreshingly modern guide takes the business of giving and receiving pleasure seriously, but never takes itself too seriously. It manages to be both informative and well-researched while also being a fun, irreverent frolic." —**Susan Harper PhD, sexuality educator**

Going down. Eating out. Rug-munching. Speaking in tongues. No matter what you call cunnilingus, talking about it is sometimes uncomfortable and awkward—Until now.

The Cunnilinguist: How To Give And Receive Great Oral Sex is a refreshingly modern guide to oral sex, packed with orgasm-inducing tips, tricks and techniques from a woman who has experience at both ends of the tongue. Frank, comprehensive and often hilarious, in her new book, Porter examines the facts, the myths and those all-important techniques for both giving **and** receiving oral pleasure, regardless of role, sexual orientation or gender.

"Sex is a two-way thing yet very often oral sex guides target just one person, the 'giver'. With The Cunnilinguist, I wanted to create something that brings giver and receiver together in a serious, yet light-hearted, way. A book that you could give to your other half and not feel too awkward about." —**Alex B Porter, The Cunnilinguist**

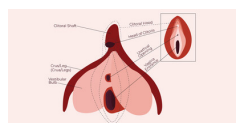

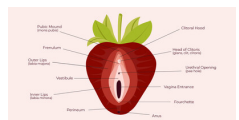

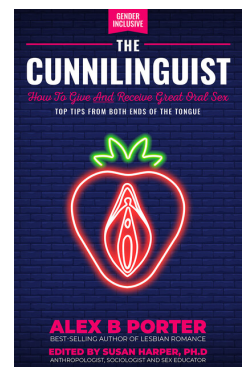

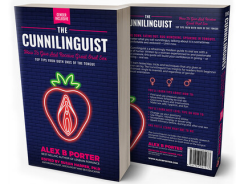

With researchers finding that lesbians have more satisfying sex lives than their straight counterparts and that receiving oral sex can double a "woman"s chance of orgasm, *The Cunnilinguist* is a timely release for anyone with an interest in pleasure and sexual health, regardless of their gender or sexual orientation.

The Cunnilinguist is now available on [Amazon](#) for \$10.99. Porter is distributing the ebook and Kindle version **free** as a Valentine's Day gift (normally \$6.99). Grab it free or 'try before you buy' a physical copy.

About the author: Alex B Porter is the author of steamy lesbian romance series *Branding Her* and *The Cunnilinguist*, a refreshingly modern guide to oral sex. Hailing from Belfast, Northern Ireland, Alex lives in East London with her lifetime partner and adorable cat.
