The Pogues' Irish whiskey

The spirit of the band, bottled and created with the sole intention of spreading that same raucous joy. The Pogues' Irish whiskey has as much character as the band itself. Produced by West Cork Distillers in Ireland's rugged coastal spot, Skibbereen, The Pogues rebels against the grain with its blend of 50% Irish grain whiskey aged in bourbon oak casks and 50% single malt Irish whiskey aged in sherry casks.

The Pogues is crafted in small batches in handmade copper stills and aged for three years and a day. The mutinous soul and passion of The Pogues has been captured in the blend and fashioned to the band's own taste and rebellion of the norm.

This mighty liquor has an aroma of malts and cracked nuts with a sweet taste and a smooth intense flavour. Not for the faint hearted. www.thepoguesirishwhiskey.com

The Pogues' Irish whiskey is available at [DrinkSupermarket](#) priced £29.99.

Whitley Neill Gin - ideal for gin coinnoisseurs

Whitley Neill Gin is an award-winning, super premium London dry gin, inspired by South Africa and softer than more traditional gins. Whitley Neill is crafted using a blend of nine botanicals including baobab, which has six times more vitamin C than an orange and cape gooseberry. The scent of oranges is synonymous with Christmas and the Whitley Neill G&T takes full advantage of this as it's made with seasonal orange wedges, rather than lemon, complementing the African botanicals. The gin's taste is refreshingly citrusy and sweet. [Whitley Neill Gin](#) is available in Oddbins priced £28.00.
