Get the Perfect Traditional Look with the Old London Bathroom Collection

Tuesday 11 February, 2014

Achieving an authentic traditional look to the bathroom has never been easier thanks to the beautiful Old London Bathroom collection.

Available from digital retailer, BigBathroomShop.co.uk, the timeless and elegant collection is a combination of quality, workmanship and heritage, and it's the perfect choice for those who love traditional style. Utilising modern day craftsmanship and manufacturing techniques, Old London will transform any bathroom into a haven of tranquillity.

The stunning Old London Bathroom collection includes a superb choice of furniture, ceramics, baths and brassware, all of which have been made to stand the test of time.

With a choice of natural colours including Pistachio, Ivory, Stone Grey and Natural Walnut, the Old London furniture collection has been created to allow anyone to tailor the bathroom to suit their own individual requirements. Ideal for making a personal statement within the home, the furniture range includes a choice of vanity units in 600mm and 800mm widths, tall storage units, drawers units as well as a mirrored cabinet and mirror. For a fully coordinated look there's also a selection of matching bath panels.

The Old London bath collection includes a range of traditional freestanding baths in a selection of styles including slipper and roll top designs. Perfect for creating a focal point in the bathroom, each bath features plenty of bathing space for a relaxing and comfortable soak.

With a style to suit every home, the Old London ceramic collection includes a choice of basins that are available in one and two tap hole variations, while the WC ranges include high and low level options for a truly classic look.

Designed to enhance the furniture, ceramic and bath collections, the Old London taps and showers provide those all-important finishing touches. Each thermostatic shower has been made in the UK, and incorporates patented anti-scald technology for a safer showering experience.
