Global Adventure Challenges Launch Unite and Bike Against Cancer Cycle 2020

Wednesday 17 October, 2018

Cycling enthusiasts are being invited to take on a once in a lifetime challenge and cycle through some of India's most stunning scenery, whilst raising vital funds for the fight against cancer.

Unite and Bike Against Cancer 2020 will see men and women of all abilities join together to raise thousands of pounds for their chosen UK cancer charity. The challenge is to cycle for 360km across beautiful Kerala – South India's tranquil paradise.

Starting the adventure in Thattekad, participants will cycle through dense forests, along stunning mountain scenery and experience the peaceful backwaters of Kerala. Challenge highlights include visiting the world famous arch dam of Idukki, experiencing breakfast on board a traditional houseboat and having the chance to explore beautiful Marari. This exciting cycling challenge involves many tough climbs, but the incredible scenery will make efforts all worthwhile.

Peter Robinson, Company Director at Global Adventure Challenges said: "This is the fourth cycle challenge in this unique series and there will be an incredible atmosphere throughout the entire trip. Each participant will be taking on a tough cycling challenge for a cause that has affected so many of us at some point in our lives. Every kilometre cycled will help to raise vital funds for cancer charities nationwide – from local hospices to national research centres."

Unite and Bike will take place between 25th September and 4th October 2020. You can register for just £299 and then either pay the challenge balance of £1,600 or raise £3,200 for the cancer charity of your choice. There is an additional Airport Tax and Fuel Surcharge of £250 applicable to both options.

Bikes will be provided and participants will be fully supported with a professional Global Adventure Challenges leader from the UK, as well as highly experienced local guides. For more information and to sign up to this cycle challenge of a lifetime head over to globaladventurechallenges.com.

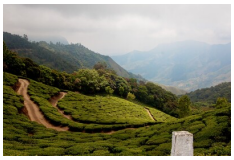

In addition to this brand new adventure, Global Adventure Challenges have also just released their 2020 challenge dates. From trekking to the highest point in Africa on their Kilimanjaro Trek, to cycling from London to Paris in time to watch the finale of the Tour de France – an exciting new adventure is waiting for you!
