Globelink Travel Insurance enhances Coronavirus Travel Insurance provision for UK and EU

customers.

Globelink extends cover on all Travel Insurance products to include Cancellation and Curtailment cover, in addition to Emergency Medical and Repatriation if you contract COVID-19 (Coronavirus) within 14 days of your trip. Insurance coverage now provides significant Covid-19 related benefits which are summarised as follows:

- Missed Departure Cover from failed health screening / COVID-19 test at departure point.
- Cancellation Cover up to £/€6,000 following a positive test within 14 days of trip date.
- Curtailment Cover up to £/€6,000 whilst away.
- Medical cover up to £/€10 million
- Repatriation cover up to £/€10 million
- Additional expenses following compulsory quarantine on the advice of a doctor whilst away.
- Additional accommodation and travel costs if COVID-19 contracted during travel.
- 24 hr Assistance Service for COVID-19 related medical emergencies during your trip

Globelink's customer services team are available by phone and website FAQ's will help provide guidance on their COVID-related travel insurance. Whilst the 24 hour Assistance Service provides support during your trip for emergency medical treatment, hospitalization or repatriation.

Globelink Coronavirus Travel Insurance is provided for those travelling within government guidelines and restrictions. Customers travelling when local Government advises against certain travel due to Coronavirus, will have the benefit of Travel Insurance coverage excluding Covid Cover. Travellers' are advised to check rules that apply in their location and the intended destination to ensure there are no travel bans in place.

Quotations for travel insurance and product options and descriptions are available from Globelink websites www.globelink.eu and www.globelink.co.uk.
