Greater Manchester Car Dealership Named Finalist at Autotrader Retailer Awards 2025

Thursday 13 November, 2025

Manchester, United Kingdom 13 November 2025 - **Warwick Hall Cars** are delighted to have been recognised at the Autotrader Retailer Awards 2025, which celebrates the 'best of the best' in automotive retailing.

With fewer than 1% of Autotrader's approximately 14,000 retailer partners officially recognised for their retailing excellence, Warwick Hall Cars is pleased to be affiliated with one of the industry's most exclusive clubs.

Joining over 100 of the UK's top automotive retailers at 122 Leadenhall Street - Central London's iconic 225-metre-tall Leadenhall Building skyscraper, also known as the Leadenhall Tower or informally "the Cheesegrater" - Warwick Hall Cars were pleased to be selected finalists in the 'Customer Choice' award, recognising their entire sales team's focus and commitment to delivering an exceptional customer service.

Sales Director Joseph Kwan commented, "We are particularly pleased to be recognised by the UK's largest automotive platform, Autotrader, as a result of direct feedback from our customers. We always strive to provide only the very best service to our customers, from best-of-class vehicle selection and preparation, to fair pricing, flexible finance options, nationwide delivery, comprehensive warranties and our famous after-sales service."

The Customer Choice Award, which is based on an in-depth analysis of customer reviews, with winners being determined by the number of reviews praising a retailer for its customer service and car buying experience, as well the quality of its responses to reviews, and overall review score is perhaps the most prestigious of its kind in the country.

Showroom Manager Charles Holding added, "Our customers have always been loyal, repaying our attention to exceptional customer service by returning to replace their own vehicles over the years and recommending us to their family and friends, so it is nice to have our brilliant sales team's hard work recognised on the national stage."

Warwick Hall Cars enjoys hundreds of positive reviews from its customers, including from Jamie F who said in his 5-star review, "Experience is definitely a 5 and beyond!! Really great experience very smooth and my car came in immaculate condition. Very refreshing to deal with an honest and genuine company. Would recommend to anybody."

Independent review aggregator, Car Dealer Reviews currently ranks Warwick Hall Cars as #1 of 14 dealerships in Hyde, and #11 of 9,936 dealerships in the UK, based on their 4.8 out of 5 score from 1,002 genuine customer reviews.

Warwick Hall Cars always has a wide range of vehicles available to view 7 days a week in their indoor showroom. Current stock can be viewed at warwickhallcars.com, where customers can also quickly and easily apply for car finance, read customer testimonials, and find details of their part exchange, nationwide delivery, and warranty offers.
