

Gurler Mae and GM Recruitment Merge to Offer Industry-First Services to the Construction Sector

Tuesday 13 February, 2024

Media:

In a pioneering move for the construction industry and built environment, Gurler Mae and GM Recruitment have announced an industry-first merger. This marks the beginning of an era where marketing, sales, and recruitment join forces to provide an integrated solution for businesses looking to soar to unprecedented heights.

GM

Emre and Leyli Gurler, the power couple at the helm of Gurler Mae, have engineered a unique model that pioneers this integrated approach. With the agility of a startup and the wisdom of industry veterans, they have created a framework for success that is set to redefine the industry.

The Gurler Mae Advantage:

G U R L E R M A E™

Clients of Gurler Mae benefit from a slew of advantages that accrue from the integrated services on offer:

- **Holistic Growth Strategy:** A synchronized approach to marketing, sales, and recruitment ensures that growth efforts are not siloed, but synergized for better impact.
- **Increased Cost-Efficiency:** By bundling services, businesses are able to consolidate their outsourcing costs and save thousands of pounds annually.
- **Scalability:** With expert systems and processes designed to attract and convert high-value clients, businesses are equipped to scale in a controlled and sustainable manner.
- **Quality Assurance:** By taking on only two businesses each month, Gurler Mae guarantees exclusivity and personalised attention to detail, leading to higher quality results.
- **Streamlined Recruitment:** The recruitment arm focuses on securing top talent that is attuned to the company's growth trajectory, while refining the talent acquisition process for maximum efficiency.
- **Expert Guidance:** Emre and Leyli bring their expertise directly to the table, fostering a collaborative partnership that elevates businesses to their full potential.
