Haag-Streit Academy announces key education courses for 2020

Friday 8 November, 2019

Harlow, UK – 8th November 2019 – Haag-Streit Academy is delighted to announce an extensive 2020 calendar of CPD-accredited interactive courses.

The Haag-Streit Academy delivers an educational programme which sets the highest standards in the optical industry. It has developed a comprehensive range of learning tools for 2020, including a portfolio of live events which will be hosted UK-wide. Many of the events will be held at the purpose-built Haag-Streit Academy Training Facility in Harlow.

The 2020 educational programme will include; 'Slit Lamp Basic Skills' courses, 'Slit Lamp Imaging Expert User Training', and a 'Slit Lamp Photographer's BX 900 Masterclass'.

The wide range of events will also include; 'Octopus 900 Perimetry Expert User Training', 'Improving Outcomes Biometry & Surgical Planning' courses, 'LENSTAR LS 900 Expert User Training' and Ophthalmic Ultrasound Basic and Expert courses.

For further details on any of the courses, please visit https://hsuk.co/hsacademy. Haag-Streit Academy has created a brochure which contains full details of all the 2020 events. To download your copy, please visit https://hsuk.co/hsacademy2020
or alternatively, email academy@haag-streit-uk.com
for a printed copy.

Grant Duncan, HS-UK Clinical Training Manager, said, "We are very pleased to have finalised an extensive programme of educational courses for the coming year. We are delighted to be launching some fantastic new courses for 2020 which, as always, will include expert speakers, comprehensive agendas and the opportunity to take part in valuable hands-on, practical workshops."

To book your place on any of the 2020 Haag-Streit Academy courses, please call (01279) 883807, or visit https://hsuk.co/eventbrite
