Haag-Streit Academy to host Advanced Ophthalmic Ultrasound Course

Thursday 22 August, 2019

Harlow, UK – 9th August 2019 - Haag-Streit UK (HS-UK), the leading manufacturer and distributor of gold-standard optometry and ophthalmic equipment, is delighted to confirm that Haag-Streit Academy will be hosting an Advanced Ophthalmic Ultrasound Course at Crewe Hall, Cheshire on Wednesday 20th November, 2019.

The course is aimed at those working with ophthalmic ultrasound in their daily practice. It will provide attendees with in-depth knowledge of this highly-skilled ophthalmic imaging technique.

The agenda will cover Ultrasound Biomicroscopy (UBM), how to perform accurate axial length measurement using immersion ultrasound, opaque media and vitreoretinal disorders, intraocular tumours and the examination of the orbit & optic nerve.

The expert Faculty includes; Tarek El-khasab, Consultant Ophthalmologist & Lead for Ophthalmic Ultrasound Services at Mid-Cheshire Hospitals NHS Foundation Trust, Hatem Atta, Consultant Ultrasound Lead at Moorfields Eye Hospital, London and David Sculfor, Consulant Optometrist at Buckinghamshire NHS Foundation Trust.

The one-day program consists of short lectures by the expert speakers, followed by demonstrations and hands-on practical workshops with real patients, giving delegates the opportunity to gain hands-on experience with HS-UK's state-of-the-art equipment.

Delegates will be able to claim 6 CPD points for their attendance on the day. The meeting offers an excellent opportunity for delegates to network with their peers and lunch and refreshments are included in the price.

Grant Duncan, HS-UK Clinical Training Manager, said, "We look forward to welcoming delegates to this popular course and I am delighted we will be joined by our expert faculty again. Their level of expertise is unsurpassed and the course offers a fantastic opportunity for delegates to benefit from their in-depth knowledge and skill in ultrasound techniques."

The cost of the course is just £150 + VAT. For further information or to book your place, please visit https://hsuk.co/ophthalmicultrasound
