Haag-Streit UK appoint a new Service Manager

Monday 19 December, 2022

Harlow, UK – 19th
December 2022 - Haag-Streit UK, the leading manufacturer and distributor of gold-standard diagnostic and surgical devices and instruments for ophthalmologists, optometrists, and orthoptists, is pleased to announce the appointment of Julian Chan in the role of Service Manager, to join the 60-strong team.

Julian will be responsible for managing service contracts, the provision of equipment repairs and the service and installation of all HS-UK products.

Julian has worked in service, engineering and management roles for more than 11 years. Among his previous roles, he worked for Element Cambridge Life Sciences both as a Field Service Engineer and then as Service Manager.

Dean Johnson, HS-UK Managing Director, said, “We are delighted to welcome Julian to the HS-UK Management team. With his vast experience in service and engineering roles, he will be an asset to the company and was the ideal candidate for the position. I look forward to working with him to develop new ideas for the future of the HS-UK Service Division.”

Speaking about his appointment, Julian said, "I am excited to be joining the Haag-Streit UK team. I am looking forward to using my skills and experience to develop the HS-UK Service Division and ensure that we are meeting the needs of HS-UK’s valued customers.”

For further information on Julian’s appointment, please contact Haag-Streit UK on (01279) 883807.
