Haag-Streit UK moves to exciting new premises

Wednesday 7 June, 2023

Bishop's Stortford, UK – 7th June 2023 – Haag-Streit UK (HS-UK), the leading manufacturer and distributor of gold-standard diagnostic and surgical devices and instruments for ophthalmologists, optometrists, and orthoptists, is pleased to announce that we have moved our UK headquarters from Harlow to Bishop's Stortford.

The exciting new site is just 10 miles away from the previous Harlow location, where Haag-Streit UK has been for more than 30 years. It is close to road and rail links, just off the M11 motorway and a stone's throw away from Stanstead airport. The new premises comprises two buildings that encourage collaborative working, improved workflow and fantastic sustainability initiatives.

The new HS-UK headquarters includes a fantastic open-plan office which can accommodate the HS-UK team perfectly, as well as an exciting new space to hold Academy courses. The logistics and service team will be located in a separate, well-sized warehouse facility. HS-UK were pleased to donate a lot of the furniture from the old office building to local Harlow schools and charities, who were very grateful. New furniture was sustainably sourced, and both new facilities will benefit from solar energy and electric car charging spaces.

HS-UK have remained fully-operational throughout the move process and will keep existing phone numbers, email addresses and bank details.

Dean Johnson, HS-UK Managing Director, said, "This is a very exciting time for HS-UK as we move into our new home in Bishop's Stortford. The new offices are very well located and have a more modern look and feel. We look forward to welcoming both customers and colleagues for meetings, as well as inviting delegates to attend training in our new dedicated Academy space."

For anyone wishing to contact us, the new address for HS-UK is **Haag-Streit UK Ltd, Unit C, Woodside Industrial Estate, Dunmow Road, Bishop's Stortford, Hertfordshire, CM23 5RG.**
